Candle Pit Stop

A Malaysian fragrance

Candle Pit Shop founded in Kuala Lumpur in 2014, is a home-grown Malaysian fragrance brand that believes scent can make everyday moments feel calmer and more meaningful. Every product is hand-poured using natural soy wax and IFRA-certified botanical fragrance oils, creating clean, non-toxic fragrances that are safe for daily living.

From botanical soy candles and wax melts to reed diffusers and room sprays, each collection is thoughtfully crafted with different scent intensities to suit every space and preference. By combining science, craftsmanship, and nature, Candle Pit Stop brings warmth and comfort into every home.

Compound

Lightweight, non-greasy comfort that lasts.

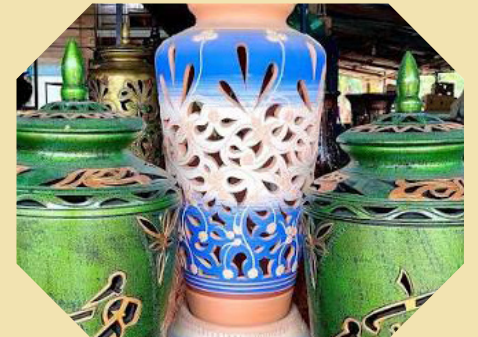

Compound is a Malaysian wellness brand that reimagines traditional herbal remedies for modern lifestyles. Its signature Re: Relief Balm combines 100% natural botanicals with essential oils to deliver long-lasting relief in a clean, non-greasy, and travel-friendly formula.
